CORPORATE MEMBERSHIP PACKAGES

About Corporate Membership Packages

IRMSA offers corporate membership to all companies in both the private and public sector. Companies benefit from technical resources and thought leadership. Organisations can be aligned to a professional and recognised risk body and can assist, shape and be at the forefront of risk management by becoming a corporate member.

In addition to corporate membership, IRMSA offers corporate packages. These offerings combine corporate membership with other services such as training and technical risk services.

These offerings have been drafted to provide members with the tools of empowerment needed to professionalise, grow, and develop their skills, adding to the overall expertise and advancement of their organisations and the South African economy at large.

Corporate members can choose any of the four options below:

Option 1

**Corporate
